Case # 22 C 3020

THOMAS G. BRUTON
CLERK, U.S. DISTRICT COURT

Att. Manish S. Shah

Plaintiff's Motion for an Emergency
Injunction Requesting the Cook County Department
of Corrections to Resume the Sale of Postage

Now Comes Plaintiff, Christopher Wheeler, by and through his own resources, to bring this Pro Se Emergency Motion for an Injunction before this Court requesting intervention from this Court to demand the Cook County Department of Corrections (herein after "CCDOC") to resume the sale of, or provide U.S. Postage beyond pre-stamped letter sized envelopes.

Introduction

Plaintiff, Christopher Wheeler is currently detained at CCDOC with a pending suit in this court against Officer Lyles and Superintendent Greene for a failure to protect claim. CCDOC has already failed to deliver legal mail from this court nearly causing a dismissal of this claim. US Postage has always been available from Commissary in books of 10, increasing in price with the cost of postage. These are listed on our current Commissary Price list, last updated on 2/15/2022 for the price of \$5.80. No notice to contradict this has been provided to inmates or social workers.

1. This is a clear attempt to violate the civil rights of inmates at CCDC. Your average 1983 claim is much larger than what would fit in a standard letter sized envelope. Even if we attempted to send out things incorrectly packaged, the CCDC mailroom will reject it.
2. The law library will provide postage for outgoing legal mail for indigent inmates only. There is no process in play for non-indigent inmates.
3. Although I am sure you have received claims and motions from others with proper U.S. postage (including myself), inmates often buy stamps in bulk. I cannot speak for the entire jail, or the entire division, however, two inmates, including myself, are having the exact same issue (see Chavez v. Officer DeLuna, et al Case # 21c6900) on my housing unit (Division 08-RTU, Tier 2G). This has been the case for well over 30 days.
4. Conversations with commissary staff and leadership have fallen on deaf ears. However, we have been told "y'all not the only ones".

Therefore, Plaintiff request this Court do the following:

1. Please excuse any and all deadlines from this Court regarding this case. Especially those that would clearly require a response that will require more than the standard \$.58 pre-stamped

letter sized envelope.

2. Order CCDOC leadership to either:

A. Require Commissary staff to resume the sale of U.S. Postage stamps (NOT just pre-stamped envelopes) at once.

B. Require the law library to provide non-indigent inmates with Postage for ANY and all out-going Mail (Not just legal matters) that require more than the standard pre-stamped envelope, currently sold on commissary.

C. Provide a process allowing non-indigent inmates to pre-pay postage from trust fund accounts.

3. Provide an order that CCDOC pay punitive damages to all inmates impacted by their reckless attempt to deny inmates access to this and other courts.

Therefore, Plaintiff hopes this Honorable Court will hold CCDOC accountable for their careless actions and grant emergency relief to him.

27th September 2022

Respectfully Submitted,
